

Press Room

Welcome to the National Center for Fathering's Press Room. Home to one of the largest databases on fathering, the National Center is your best resource for gathering timely and up-to-date information on fathering.

In this section, journalists can quickly and easily access information about the Center, request an interview with Carey Casey, CEO of the National Center for Fathering, or other dads@fathers.com, or identify potential interview candidates in their communities. News Releases

June 12, 2009 - Study on Father Involvement in Children's Education: "Dads are significantly more engaged ... but there is still room for improvement." (PDF)

June 12, 2009 - Study on Fathering in America: "Fathers are making strides ... although fatherlessness remains a major concern." (PDF)

April 3, 2009 - Championship Fathering by Carey Casey: New book is a coaching manual on how to win big at being a dad. (PDF)

Get the book or read Tony Dungy's foreword and the first chapter.
