# FATHER-DAUGHTER SUMMIT // //09

Talk. Listen. Laugh. Grow. Together.

// Don't miss this opportunity to build your relationship with your not-so-little girl.

"Every daughter deserves to hear from her Dad how he feels about her." // Sarah, age 16.

## Gain Tools to Strengthen Your Family!

The Father-Daughter Summit is a national program coming to Houston for the first time! This incredible program is designed to bring Fathers and Daughters together for an unforgettable day of fun, learning and growth. With world-class teachers and a program that addresses the daily challenges of Daughters and their Dads, this one-day conference is a unique opportunity to honor this special relationship and give it a chance to be the best it can be!

### Here's what's happening:

- **Heart-to-Heart Time.** Fathers and Daughters can enjoy a one-on-one connection through a specially designed outline that includes questions that will help each really listen to the other and communicate in a fresh, positive way.
- **Learning Opportunities.** In separate sessions, Fathers and Daughters will gain insight and life tools from engaging teachers on the many ways to strengthen their relationships.
- **Significant Moments.** The day will be designed with symbolic moments for Dads and Daughters to connect and communicate their commitment to one another in unforgettable, meaningful ways.

*"The most beneficial insight I received today was how important I am to my daughter. Surprisingly, I didn't think I mattered much." //Dad, age 45*

*"We have become closer and I feel with my whole heart the intimacy is going to be furthered as time goes on." //Daughter,*
